

Oxford-Grove Music Online

For budgetary reasons, the Oxford-Grove Music Online database subscription has not been renewed for AY 2015-2016.

Oxford-Grove Music Online provides digital access to *The New Grove Dictionary of Music and Musicians*, *The New Grove Dictionary of Opera*, and *The New Grove Dictionary of Jazz*. At considerable savings, the LLC has purchased these resources in print. Print versions can be found in the Upper Level of the LLC in the Music section. The call numbers for these resources in the order they have been mentioned are 780.3 N422, 782.103 N42, and 785.4203 N42.

About the Database

Despite its relative lack of use (only 163 searches since January 2013, which equates to a cost of \$36.40 per search), Oxford-Grove resources are considered an essential reference for music departments. The decision to maintain the titles (in print) will support the music program's pursuit of National Association of Schools of Music (NASM) accreditation as well as the research interests of its mostly campus-based students and faculty.
